Dad's Club, Inc.  
3501 B-264 N. Ponce De Leon Blvd.  
St. Augustine, FL 32084

Dear Mr. Keisler,

It is with a sincere interest in the mission of your organization that I write this letter of support for Dad's Club, Inc. I find it commendable that a group of dedicated fathers such as yourself are committing your time and effort to making a difference for the youth in our community and throughout the country. There are far too many children in our society without the strong role model of a father within the household and the stability your organization can provide by reaching out to those youth will make a difference.

I would encourage all who have a desire to be closer to their own children, as well as help those without strong families, to get involved in your organization. They and their spouses and children will be enriched if they do.

Good luck on your efforts to build a strong chapter of Dad's Club, Inc. in our area. Please do not hesitate to contact me if I can provide support in any way.

Sincerely,

David B. Shoar
